Hamilton County Junior High
Announcements
November 6, 2013

The girls' basketball team will be in action again tomorrow night when they travel to Carmi.

School will not be in session on Monday, November 11, in observance of Veteran's Day.

The Hamilton County Crisis Closet would like to thank each and every Jr. High student that helped with the food donations. Many of you will never know who you may have helped. The need is great. Thank you so much and the blessings you will receive are beyond measure.

Please stand for the Pledge and remain standing for a moment of silence.
