October is Bullying Prevention Month: Are you involved in school? A member of a club, sports team, or other extracurricular group? Become involved in some way. A bully finds it harder to target someone who is involved and belongs to a group. If you notice someone that isn't part of a group invite her to be a part of yours. There is always room for more.

October 22 is Unity Day. What are your true colors when it comes to bullying? If you care about safe and supportive schools and communities, make your color ORANGE on Unity Day. That's the day everyone can come together - in schools, communities and online - and send one large ORANGE message of support, hope and unity.

On October 22, at 1:30, Jesse White and the Tumblers will be here for a performance.

Ten Mile Creek FWA will be sponsoring its Annual Wingshooting Clinic October 25 & 26. If you are interested, check out the flyer on the office window. Call Jim Eaton at 618 643-2862.
