

Dear Parent,

By now you have received a letter informing you about the upcoming Illinois 5Essentials Survey: Organizing Schools for Improvement. As noted in my earlier letter, the 5Essentials Survey is the foundation of the school improvement process.

We guarantee that survey responses will never be connected to you or your child. No individual will be identified in the school reports; school principals or teachers will never see any individual responses. School reports will only present summary information of how parents feel as a whole, such as the percent of parents agreeing that they feel comfortable raising concerns to their child's teacher.

This is your opportunity to give feedback on how your child's school is doing. We encourage you to participate in this survey and help improve Illinois' schools for our children.

Please visit: <https://illinois.5-essentials.org> to participate in the Illinois 5Essentials Parent Survey.

If you have any questions about the survey, please contact 5Essentials Customer Support at 1-866-440-1874 or [5essentials@uchicago.edu](mailto:5essentials@uchicago.edu).

Sincerely,

A handwritten signature in black ink that reads "Jeff Fetcho". The signature is written in a cursive, flowing style.
