Except in cases of emergency, after consulting with the Union President, no vacancy shall be filled in less than ten (10) days after the first posting. The district shall mail said posting to the Union President during periods during the summer months when school is not in session. Teachers who provide a self-addressed stamped envelope to the Superintendent's office shall also receive the postings. Final selection shall be determined by the Board of Education.

F. Absence

Each employee shall within twenty (20) days return a signed copy of the statement if they agree that the information is correct or contact the unit office and request a conference for an explanation or correction of the statement. The information contained in the statement shall be deemed correct if the employee fails to return a signed copy or does not request a conference within twenty (20) days.

K. Planning Periods

1. Teachers with a planning period 8th hour may coach 8th hour sports at the high school with no factoring in salary.
2. Teachers with an 8th hour P. E. class are permitted a planning period with no factoring.

Two attendance labels submitted for the same session will not be approved in same time slot. Submission of the copy shall be made by the teacher to their respective building principal within five (5) school days after the Mt. Vernon Conference. Failure to provide proper attendance verification shall result in a dock in pay equivalent to one-half or one day of the teacher's daily rate as appropriate for each day.

ARTICLE VI

Seniority

SENIORITY shall be defined as follows:

- (a) Employees tenured prior to June 30, 2005 shall remain frozen as per the existing seniority schedule as established by the collective bargaining agreement in affect prior to June 30th, 2005.
- (b) For employees tenured after June 30, 2005, the administration shall prepare a seniority list of employees covered by this agreement based on the beginning date of continuous (full-time) service. In the event of more than one employee having the same seniority, a lottery shall determine the order of seniority.
- (c) Continuous employment shall be defined as most recent employment of the Board of Education regardless of status (i.e., teaching or on leave) from the first day of work in continuous employment. If an employee covered under this agreement is given an honorable dismissal, but returns within the next school calendar school year, that employee shall retain his/her original date of employment for seniority rights.
- (d) Prior to November 1st of each school term, the superintendent shall post a listing of the seniority rank of all tenured teachers in the school district, along with a copy of this policy. Each teacher shall then have (20) employment days thereafter to file written objection to his/her ranking and shall detail the alleged specific error in the ranking. Failure to make such timely objections will be deemed as acceptance of the ranking, and the teacher cannot thereafter challenge his/her seniority for the school term.

ARTICLE VII

Grievance Procedure

1. Definition

A grievance shall mean a written complaint by a member of the bargaining unit that there has been an alleged violation, misinterpretation, or misapplication of the specific provisions of this Agreement.

2. Purpose

Every employee covered by this Agreement shall have the right to present grievances in accordance with these procedures, the purpose of which is to secure, at the lowest possible administrative level, equitable solutions to valid grievances which may arise.

3. Representation

The grievant has the right to representation of choice in the grievance procedure. The grievant shall be present at all grievance discussions unless the Board, Federation, and the grievant mutually agree that the grievant's presence is not desirable or necessary. When the presence of the grievant at a grievance hearing is required by either party, illness or incapacity of the grievant shall be grounds for any necessary extension of grievance procedure time limits.

4. Time Limits

A grievance must be filed within ten (10) days of the occurrence of the event which gave rise to the grievance. The number of days indicated at each step in the procedure shall be considered as the maximum allowable to the parties and every effort shall be made to resolve the grievance as rapidly as possible.

5. Procedures

The parties acknowledge that it is usually most desirable for a teacher and the teacher's immediate supervisor to resolve problems through informal and free communications. If, however, the informal process fails to satisfy the teacher, a grievance may be processed in the following manner and the grievant may be accompanied by a representative of choice:

Step One

The teacher or the Federation shall file the grievance in writing with the immediate supervisor, who shall certify by signature the date the grievance was received. The written grievance shall state the nature of the grievance, shall note the specific clause or clauses of the Agreement which are applicable, and shall state the remedy requested. The supervisor shall arrange for a meeting to take place with the grievant within ten (10) days after receipt of the grievance. The supervisor shall make a decision on the grievance and communicate it in writing to the grievant and the Superintendent within five (5) days of the meeting.

Step Two

In the event a grievance has not been satisfactorily resolved at Step One, the grievant may present the grievance within ten (10) days to the Superintendent, who will follow the same provisions as established in Step One.

Step Three

If the grievance is not satisfactorily resolved at Step Two, the grievant shall file, within ten (10) days of receipt of the Superintendent's decision at Step Two, a request for a hearing with the Board. The Board shall meet with the grievant within fifteen (15) days after receipt of the request for a hearing. The Board, or their designee, shall file an answer within ten (10) days of the hearing and communicate it in writing to the grievant and the Superintendent.

Step Four

If the grievance is not satisfactorily resolved at Step Three, the grievance shall proceed to binding arbitration. The Federation shall submit to the Superintendent a written request on behalf of the Federation and the grievant to enter into binding arbitration. If a demand for binding arbitration is not filed within twenty (20) days of receipt of the Step Three decision, then the grievance shall be deemed withdrawn.

Arbitration proceedings shall be conducted by an arbitrator to be selected by the two parties from a roster of arbitrators provided by the American Arbitration Association. Within seven (7) days after the Federation requests binding arbitration, the two parties will request the American Arbitration Association to provide a panel of seven (7) arbitrators. Each of the two parties will alternately strike one name at a time from the panel until only one name shall remain. The remaining name shall be the arbitrator. Expenses for the arbitrator's services shall be borne equally by the District and the Federation.

The decision of the arbitrator shall be final and binding on the parties. The arbitrator, in their opinion, shall not amend, modify, nullify, ignore, or add to the provisions of the Agreement. The arbitrator's authority shall be strictly limited to deciding only the issue or issues presented to them in writing by the District and the Federation, and their decision must be based solely and only upon their interpretation of the meaning or application of the expressed relevant language of the Agreement.

6. Additional Items

1. Bypass - By mutual agreement, any step of the grievance procedure may be bypassed to the level of occurrence.
2. Withdrawal - A grievance may be withdrawn at any level without establishing a precedent.
3. Settlement - By mutual agreement, a grievance may be settled at any step without establishing precedent.
4. Costs of Arbitration - The fees and the expenses of the arbitrator shall be shared equally by the parties. The parties shall each be responsible for the costs of their own representation. If only one party requests the presence of a court reporter, that party shall bear the costs of the reporter. If only one party requests the postponement of an arbitration hearing, that party shall bear the costs of such postponement.

5. Cooperation - The District and the Federation shall cooperate in the investigation of any grievance.
6. Handling of Grievance - Any investigation or other handling or processing of any grievances by the grievant or the Federation shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and related work activities of the grievant or of the District's employees.
7. Contract Expiration - A grievance arising under this contract may be processed through the grievance procedure until resolution even after expiration of the contract.
8. Bar to Appeal - Failure of a grievant or the Federation to act on any grievance within the prescribed time limits will act as bar to any further appeal, and an administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. Time limits may be extended by mutual agreement.
9. Other Complaints - If the Federation or any employee files any claim or complaint in any form other than under the grievance procedure of this Agreement, then the District shall not be required to process this same claim or set of facts through the grievance procedure.
10. No Reprisal - No reprisal shall be taken by the District against any teacher because of the filing or participation in a grievance.
11. Definition - When the term "days" is used in this Article, it shall be defined to mean "days when school is in session" except that when school is not in session, it shall be defined to mean week days.

ARTICLE VIII

Leaves

A. Sick Leave

The Board shall grant to each teacher 14 days sick leave per year at full pay. The unused amount shall accumulate to a maximum of 360 days (i.e., Upon accumulation of 360 days, the following year you will receive 14 days. If 5 days are used, the remaining 9 days will not accumulate.)

Sick leave shall be interpreted to mean personal illness, quarantine at home, or serious illness or death in the immediate family or household.

For purposes of the Section, "immediate family" shall include parents, spouse, brothers, sisters, children, grandparents, grandparents-in-law, grandchildren, brother-in-law, sister-in-law, parent-in-law, aunts, uncles, nieces, nephews, and legal guardians.

B. Personal Leave

Employees will be granted two (2) personal leave days per year from year one to year fifteen of district service. Employees will be awarded three (3) personal leave days per year from year sixteen to year twenty-five of district service. Employees will be awarded four (4) personal leave days per year from year twenty-six and until retirement of district service. Personal leave days may be accumulated to a maximum of four (4). Employees shall notify the Superintendent at least three (3) days in advance of the requested use of personal

leave days. However, the Superintendent may waive this advance notice requirement in emergency situations. No more than 10% of the teaching staff at East Side or the Junior/Senior High School and no more than 2 teachers a Pre-School or Dahlgren School may use personal leave on the same day. Conflicts of more than this amount will be decided on the basis of teachers with higher seniority receive first priority.

Personal leave shall not be used on school improvement days, teacher inservice, parent-teacher conference, or teacher institute days. A teacher will be assessed one-half or one full dock day as appropriate if it is absolutely necessary to be off on these days for other than qualified sick leave, bereavement leave, or school-approved trips.

A teacher may not use a personal day before or after a designated school holiday or scheduled school calendar break without approval by the Superintendent based on the individual merits of the request.

Unused personal leave days shall accumulate as sick leave days in accordance with Article VIII, Part A. Teachers must utilize all accumulated personal leave days prior to being permitted to take a dock in pay.

C. Extended Leave

Teachers may apply for extended leave of absence for a variety of reasons. An employee's extended leave under this contract provision, if approved, shall be considered discretionary leave above and beyond any leave the employee is entitled to receive under state or federal laws.

1. The following listed leaves shall be considered as extended leaves of absence under the provisions of this Section of the Agreement:

a. Family Medical Leave Act

b. Extended Medical Leave

Staff members may apply for extended medical leave for health reasons for the remainder of a current school year. The request for such leave must be accompanied by a statement from a physician indicating that such leave is necessary for the physical or emotional well-being of the staff member.

c. Sabbatical Leave

The Board may grant sabbatical leaves in compliance with the School Code.

2. The following conditions shall apply to all extended leaves of absence unless otherwise indicated:

a. A request for leave of absence shall be in writing to the Superintendent and whenever possible should be submitted at least thirty (30) days in advance of the leave.

b. All teachers may apply for an extended medical leave of absence, but only tenured teachers may apply for a sabbatical.

- c. A non-tenure teacher receiving an extended leave of absence understands and agrees that as a condition of receiving the leave that the period of the leave will not constitute a period of continuous employment for the purpose of attaining tenure status. Nothing in this Section shall prohibit an employee from utilizing accrued sick leave during any period prior to the beginning of such leave.
- d. Granting of extended leave of absence shall be at the discretion of the Board.
- e. Extended leaves of absence will be without pay but will not affect tenure status; except that time on approved unpaid leave of absence will not count towards acquiring tenure. Salary increments shall not accrue during a leave of absence except that any teacher who has been employed for ninety (90) days or more of the school term (year) prior to the commencement of such leave shall be entitled to such advancement. If the leave exceeds the school term (year) in which the leave commences, the second school term shall not be considered for step advancement on the salary schedule.
- f. The initial leave period shall be limited to the duration of the current school term (year). Further extension of an extended leave of absence shall be at the discretion of the Board.
- g. Teachers may return from an extended leave of absence as approved by the Superintendent; however, under normal circumstances, teachers will return either at the beginning of the school term (year) or the beginning of the second semester.
- h. Except as heretofore provided, accrued benefits earned at the time which the leave begins shall be retained but no additional benefits shall accrue during the period of the leave. Accrued benefits shall be defined to mean tenure status, accumulated sick leave, and placement on the salary schedule.
- i. Staff members on extended leave shall, upon written request, be permitted to continue in the District's group health insurance program for a period of 18 months from the date the leave begins, providing the member pays the premium.
- j. Written notice of intention to either return or resign shall be given to the Superintendent sixty (60) days prior to the expiration of the leave. Failure to furnish such written notice shall constitute a notice of resignation.
- k. The Board may require, at the Board's expense, a staff member on extended leave of absence to furnish a statement from a physician or a psychiatrist indicating whether a staff member is capable of returning to work.

1. Although staff members returning from an extended leave of absence cannot be assured of placement in the same position which they held prior to going on leave of absence, every reasonable consideration will be given to returning them to their former position.

Tenured staff members returning from an extended leave of absence shall be entitled to return to the same position previously held if that position is available or if that previous position is held by a non-tenure teacher.

D. Jury Duty

Staff members summoned to jury duty when school is in session shall receive full salary during the time the member is on jury duty provided the member pays to the District the fees received for performing jury duty service.

Staff members issued a court subpoena concerning matters relating to their employment by the District shall be paid for each working day of required absence, providing the member pays to the District any witness fees received. This provision is not applicable if the member is subpoenaed to testify under the following conditions:

1. A matter in which either the member, or any of the member's family, or any business associate has a financial interest.
2. If the staff member is a witness against the School District, the Board of Education, or its representatives as the result of any legal actions commenced by or on behalf of the Illinois Federation of Teachers, the Hamilton County Federation of Teachers, its agents or members, or as the result of any legal action arising from collective negotiations between the parties.

E. Special Leaves

Tenured employees shall be granted a special non-paid leave for up to and including a total of five days over a three-year time span. Requests for such leave must be made in writing to the Superintendent ten (10) working days in advance, except in emergencies. Special leaves of five (5) or less days shall be approved, except in cases where it is determined by the Superintendent in consultation with the Federation President or his/her representative that a substitute cannot adequately fulfill the educational responsibilities of a teacher requesting leave. A total of no more than five (5) days will be approved for the three previous years, beginning September 1, 1983. Approval or denial of such leaves will be in writing.

Salary and adjustments for days not worked shall be at the rate of 1/180th of the annual pay.

F. Conferences and Visitations

The Superintendent may authorize professional leave for attendance of personnel at state and regional meetings related specifically to their work area without pay deduction. The number of absences allowable for professional leave is a value judgment on the part of the Superintendent and is subject to budget limitations for employing substitutes and reimbursements for travel, meals and lodging.

The District shall provide 100% of the premium cost for a \$15,000 term life insurance policy on each eligible employee. The health and life insurance benefit is made available only to personnel working 75% or more of the time as qualified in Article II.

An insurance committee consisting of teachers, Board members, administrators, and support staff shall meet annually to evaluate the district's insurance program. The committee's considerations shall include but not be limited to costs, coverage and possible rebidding of the insurance package. The committee shall, after consultation with their respective groups, make recommendations to the Board of Education for coverage.

Employees indicating retirement in 2014 will have a pre-retirement period of 3 years. Employees indicating retirement in 2015 will have a pre-retirement period of 4 years.
3. No teacher may participate in this program unless they have sufficient service credit with the Illinois Teachers' Retirement System to exempt the employer from the payment of any penalty or other additional amount, to the Teachers' Retirement System, including but not limited to ERO penalties and payments to fund a teacher's TRS annuity.
4. No teacher may participate in this program if the teacher does not retire after their thirty-fifth (35) year of creditable service and present an irrevocable letter of resignation indicating such plan to retire.

D. Aspects of the Plan

1. For teachers who qualify under the one-year plan, the Board shall, for the last year of service immediately preceding retirement, remove the teacher from the salary schedule and increase the teacher's creditable earnings by six percent (6%) over the previous year's salary as determined by the teacher's placement on the salary schedule in the year prior to retirement. The 6% increase will be calculated based on the teacher's previous year's creditable earnings, including but not limited to supplemental pay, extra-curricular, committee, grant work and stipends, etc. The six percent (6%) will be paid over the employee's remaining pay periods prior to retirement. However, supplemental pay, extra-curricular, committee or grant work, etc., will not be calculated in the salary increase if the teacher does not continue performing that work in any year the employee receives retirement benefits under this provision. For example, if a teacher's 2010-2011 salary (\$50,000) included a \$1,500 extra-curricular stipend and the teacher did not perform that stipend work in his/her final year of employment, the teacher's retirement benefit under this provision will be \$2,910 ($\$50,000 - \$1,500 = \$48,500 \times 6\%$ including salary increase = \$2,910) or total creditable earnings in the last year of employment of \$51,410.

One-Year Notice Example

Retirement in 2012:

2010-2011 creditable earnings = $\$50,000 \times 6\% = \$3,000$

2011-2012 creditable earnings = $\$50,000 + \$3,000 = \$53,000$

(total creditable earnings)

2. For teachers who qualify under the two-year plan, the Board shall, for each of the last two year(s) of service immediately preceding retirement, remove the teacher from the salary schedule and increase the teacher's creditable earnings by six percent (6%) over the previous year's salary as determined by the teacher's placement on the salary schedule in the year prior to retirement. The 6% increase will be calculated based on the teacher's previous year's creditable earnings, including but not limited to supplemental pay, extra-curricular, committee, grant work and stipends, etc. The twelve percent (12%) will be paid over the employee's remaining pay periods prior to retirement.

Two-Year Notice Example

Retirement in 2013:

2010-2011 creditable earnings = $\$50,000 \times 6\% = \$3,000$

2011-2012 creditable earnings = $\$50,000 + \$3,000 = \$53,000$

(total creditable earnings) $\$53,000 \times 6\% = \$3,180$

2012-2013 creditable earnings = $\$53,000 + \$3,180 = \$56,180$

(total creditable earnings)

3. For teachers who qualify under the three-year plan, the Board shall, for each of the last three year(s) of service immediately preceding retirement, remove the teacher from the salary schedule and increase the teacher's creditable earnings by six percent (6%) over the previous year's salary as determined by the teacher's placement on the salary schedule in the year prior to retirement. The 6% increase will be calculated based on the teacher's previous year's creditable earnings, including but not limited to supplemental pay, extra-curricular, committee, grant work and stipends, etc. The eighteen percent (18%) will be paid over the employee's remaining pay periods prior to retirement.

Three-Year Notice Example

Retirement in 2014:

2010-2011 creditable earnings = $\$50,000 \times 6\% = \$3,000$

2011-2012 creditable earnings = $\$50,000 + \$3,000 = \$53,000$

(total creditable earnings) $\$53,000 \times 6\% = \$3,180$

2012-2013 creditable earnings = $\$53,000 + \$3,180 = \$56,180$

(total creditable earnings) $\$56,180 \times 6\% = \$3,370.80$

2013-14 creditable earnings = $\$56,180 + \$3,370.80 = \$59,550.80$

(total creditable earnings)

4. For teachers who qualify under the four-year plan, the Board shall, for each of the last four year(s) of service immediately preceding retirement, remove the teacher from the salary schedule and increase the teacher's creditable earnings by six percent (6%) over the previous year's salary as determined by the teacher's placement on the salary schedule in the year prior to retirement. The 6% increase will be calculated based on the teacher's previous year creditable

earnings, including but not limited to supplemental pay, extra-curricular, committee, grant work and stipends, etc. The twenty-four percent (24%) will be paid over the employee's remaining pay periods prior to retirement.

Four-Year Notice Example

Retirement in 2015:

2010-2011 creditable earnings = \$50,000 x 6% = \$3,000

2011-2012 creditable earnings = \$50,000 + \$3,000 = \$53,000

(total creditable earnings) \$53,000 x 6% = \$3,180

2012-2013 creditable earnings = \$53,000 + \$3,180 = \$56,180

(total creditable earnings) \$56,180 x 6% = \$3,370.80

2013-2014 creditable earnings = \$56,180 + \$3,370.80 = \$59,550.80

(total creditable earnings) \$59,550.80 x 6% = \$3,573.05

2014-2015 creditable earnings = \$59,550.80 + \$3,573.05 = \$63,123.85

(total creditable earnings)

E. Mileage Reimbursement

Employees who are required to use their personal vehicles in the course of their employment or otherwise use their vehicles in the authorized service to the school district shall be reimbursed at the rate established by Central Management Services as of July 1 of that year.

ARTICLE X

Salaries

Pay day will be on the 5th and the 20th of each month or the last working day prior to the 5th and 20th if either date falls on a weekend or holiday.

1. Stipends, extra trips, additional pay, pay docks, etc., will be made on the check issued on the 20th of the month.
2. Increments will be paid in equal installments on the 5th and the 20th. Lump sum increment payments will be made on the 20th of the month.
3. Deductions for insurance, optional insurance, union dues, etc., will be made in equal installments from each check received.
4. Employees will be afforded the opportunity to elect to take their pay in 12 (payable on the 20th of the month) or in 24 equal payments. If an employee elects to have 12 payments rather than the 24, then the employee must so inform the Superintendent in writing at least 30 days prior to the first payment of an annual contract cycle, usually by September 5 each year. This would require notification by August 5th of each year for teaching personnel. Adjustments from a 12 payment to a 24 payment or the reverse thereof will only be accommodated at the beginning of a yearly pay cycle.

A. Employees shall be paid as follows:

2011-12 and 2012-13 (Appendix A and B) salaries shall be paid reflecting a 1% increase plus step and longevity movement for each year, as qualified. Employees that do not qualify for step movement will receive a 2% increase that includes the \$150 longevity payment for the 2011-12 and 2012-13 school years.

- B. Employees shall be paid for their extra-curricular activities or work beyond their tasks or duties as per the 2010-11 extra duty schedule for 2011-12, identified as Appendix C. For 2012-13, extra-curricular pay shall include a 2% increase. Extra-curricular longevity shall be capped at the accumulation of 10 points as per the established factoring formula.
- 5. Column/horizontal movement, so as to determine placement on the salary schedule, will be based on written documentation on file in the Unit Office including certified transcripts or official university documentation that verify degrees and hours attained as of the first teacher attendance day of the school year. Movement will only be accommodated at the beginning of the yearly pay cycle.
- 6. Salary longevity is defined as an additional payment of \$150 for each additional year after reaching the last downward step on the salary schedule (i.e., after step 11 for N/D, after step 17+ for bachelors degrees and after step 22 for masters degrees). This benefit is limited to no more than 20 years beyond the last downward step for teachers that remain in the bachelors category for that length of time or that remain in the masters category for that length of time.
- 7. Concessions teacher supervisors shall be compensated at a rate of \$25.00/one or two game event, \$40.00 three game event, and \$50.00/if game events are in both Jr. and Sr. High gyms.

B. Waiver of Additional Bargaining

The parties each voluntarily and unqualifiedly waive any rights which might otherwise exist under law to negotiate over any matter during the term of the Agreement, and each agrees that the other shall not be obligated to bargain collectively during the term of this Agreement, except that if the TRS contribution rate increases effective in the 2012-13 school year, the District and Union agree to re-open TRS contributions and negotiate the TRS rate increase. NOTE: Longevity raises are computed by allowing one point for each two years of service (within sport or discipline) in Hamilton County Unit No. 10 and ½ point for each two years of service outside of Hamilton County Unit No. 10. The total points accumulated are then multiplied by 2.33 percent. That percentage represents the longevity factor. The longevity percentage is then applied to the base salary for the particular position. Extra-curricular longevity shall be capped at the accumulation of 10 points as per the established factoring formula.

All extra-duty compensation will be paid during or after an employee provides the contracted services. Employees receiving extra duty stipends may choose one of the following three compensation schedules for each extra-duty assignment:

2. Pro-rated pay on each payroll commencing with the first regular payroll after services are initiated through the balance of each regular payroll until the end of the fiscal year (June).
3. Pro-rated pay on each payroll commencing with the first regular payroll after services are initiated through to the first regular payroll after services are completed.

Compensation for working at special events will be paid twice annually. Those payments shall be made in December and May of each year.
