## **Health Exam and Immunization Information**

Parents are reminded to bring the required health records when they register their children for school. Students entering kindergarten, 6<sup>th</sup>, and 9<sup>th</sup> grades are required to have a physical examination (including the parents signed health history section), and up-to-date immunization records (including completion of Hepatitis B series, a Tdap booster in 6<sup>th</sup> grade, and 2 doses of Varicella vaccine in 6<sup>th</sup> and 9<sup>th</sup> Grades). Also, students entering 6<sup>th</sup> Grade are now required to show proof of receiving 1 dose on or after 11<sup>th</sup> birthday of Meningococcal Conjugate. Students entering 12<sup>th</sup> grade are now required to show proof of receiving 2 doses of Meningococcal Conjugate vaccine. First dose on or after 11<sup>th</sup> birthday and 2<sup>nd</sup> dose on or after 16<sup>th</sup> birthday. If 1<sup>st</sup> dose is administered when student is 16 or older, only 1 dose is required. All the above requirements are to be completed by October 15. Dental exams are required during kindergarten, second, and sixth grades (to be completed sometime during the school year). An eye exam is also required before starting kindergarten. Exam forms are available from the office of any school.

Students in grades 4, 5, 7, 8, 10, 11, and 12 trying out for sports/cheerleading activities, are required to have a sports physical examination (current within the last 395 days of the duration of the sport, not the starting date). Documentation must state that the student is able to participate in certain or all activities. The sixth grade and ninth grade school physicals will complete the sports requirement for those grades, so no additional sports physical is required.

## **New Students to the District**

- Any new student to the district for the first time must provide a certified birth certificate, a certified social security card, proof of a physical examination and eye examination, and up-to-date immunization records. They must also have a dental examination if they are entering kindergarten, second, or sixth grades (to be completed by May 15<sup>th</sup> of the current school year).
- Elementary students that were not in attendance at the end of last school year should call East Side School at 643-3323 or 643-2328, extension 6181, 6110, or 6118 to determine in which elementary school they should register. In order to balance classes, parents of these students should call by Monday, July 31.
- New High School students to the district that do not have a schedule already developed should call Mrs. Lueke in the guidance office at 643-2328, ext. 2116, to set up an appointment prior to August 4. New Jr. High students should contact Mrs. Fetcho at 643-2328, extension 2114.
